The new cultural place of Varna

A 200 year old Ottoman armory which stood witness to the dynamic historic transitions in Bulgaria.

In the last 20 years the former music club Bonkers was left into decay, a real dark spot on the face of the city. The place was not only unpleasant looking, but it attracted marginal elements and had a deteriorative impact on its surrounding.

## The challenge...

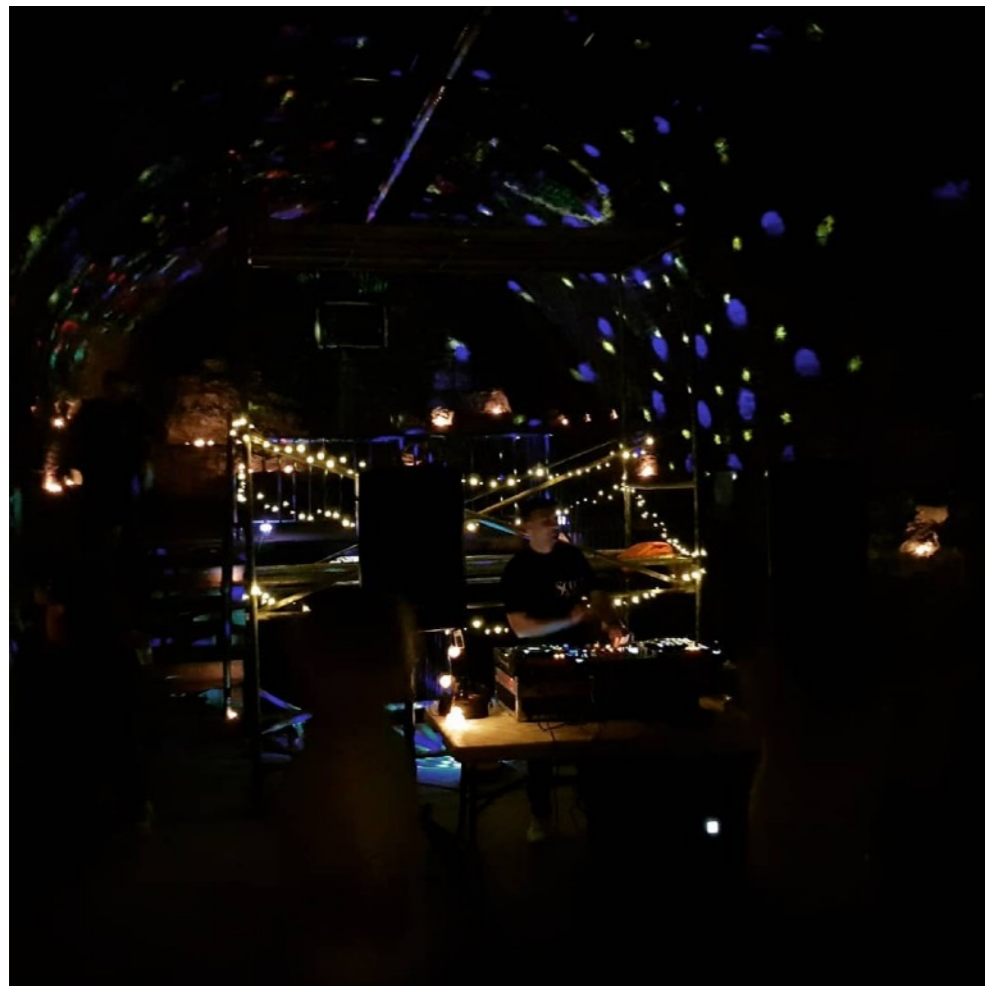

**4 years of cleaning, reconstruction, safety and infrastructure improvements, regulation and improvement of access. Almost 50 000 euro in donated labor and materials.**
