

Prinsenpark

Visitor centre – Provinciaal Domein Prinsenpark, Retie

Address

Prinsenpark Visitor Centre
Kastelsedijk 5
2470 Retie
Antwerp Province
Belgium

Aerial view

The Provincial domain of Prinsenpark in Retie, originally the parkland for a un-builtroyal country house, is a unique nature reserve situated in the agricultural landscape of the Kempen, north of Antwerp. The park's identity lies in the strong combination of the original park structure with the rawness of its wild forest, forming a large formal figure within the agricultural landscape.
