

“Really very interesting because it allows our guests to feel closer with other realities as well.”

Villa Serena, Pavia

"Through the Ciao project our residents can enjoy new and different activities with high quality audio and video.
It is also nice to see other realities like ours and be able to interact."

Santa Tecla Foundation, Este

«Interesting and stimulating activities. Great audio and video for our guests."
Casa Dongo, Como

It's a great project! It allows us be part of a network both with other nursing houses and with external realities that otherwise we would not be able to reach.
